TRADITION RUNS DEEP WITH THE SPIRIT OF SPEEDWAY

Inspired by the tradition of past historic Indy 500 entries being named after cities, Marotti Autosport's 2023 Indy 500 entry will be the first race entry in history named "Spirit of Speedway" in honor of Speedway, Indiana — home of the 500 mile race.

A PASSION FOR INDY

Team owner Will Marotti launched Marotti Autosport in 2016, when he partnered with Schmidt-Peterson Motorsports in the 100th running of the Indy 500. The team also competed in the Indy 500 the following year and additional races in the NTT INDYCAR SERIES season. The team has also ran select races in the Road to Indy ladder series.

Since its inception, Marotti Autosport has been competitive, finishing as high as 12th in the 2016 Indy 500. In that same race, the team reached 4th place near the end.

We have a passion for Indy, and we aren't just seeking to be competitive, but to win the biggest prize in motorsports—the Borg Warner Trophy!

NTT INDYCAR SERIES

Arguably the most diverse racing series in the world, the NTT INDYCAR SERIES features racing at a combination of super speedways, road courses and temporary street circuits. The NTT INDYCAR SERIES offers its international lineup of drivers the most demanding challenges in motorsports, where the top point scorer is crowned the series champion and receives a million-dollar bonus.

INDIANAPOLIS MOTOR SPEEDWAY

At 111-years-old, the Indianapolis Motor Speedway is the oldest continually operating racetrack in the United States and is known as The Greatest Race Course in the World. With more than 250,000 permanent seats, it is the world's largest sports seating facility and hosts the largest single-day sporting event in the world, the Indianapolis 500.

A large crowd of people is walking towards the entrance of the Indianapolis Motor Speedway. The entrance is a large, open-air structure with a metal frame and a roof. The words "INDIANAPOLIS MOTOR SPEEDWAY" are written in large, silver, block letters across the top of the structure. To the right of the main entrance, there is a sign that says "1 GATE" with a winged logo. Several flags are flying from poles on the roof of the entrance, including a checkered racing flag, a red flag, and a yellow flag. The crowd is diverse in age and appearance, many wearing hats and carrying bags. The scene is set on a sunny day with a clear blue sky and some green trees visible in the background.
